Instructional Calendar Change for Vestal High School Students

As a result of the cancellation of classes at Vestal High School on September 9 and 10, it has been decided that the Superintendent's Conference Day scheduled for October 9 will become **a day of regular attendance for Vestal students in Grades 9 - 12**. This decision allows the district to address a portion of the lost instructional time experienced by our high school students. It will also provide flexibility should there be additional school closings due to weather or other unanticipated circumstances during the remainder of this school year.

The decision to hold regular classes on October 9 applies only to students in grades 9 - 12. The Superintendent's Conference Day scheduled for that date **will be held for Grades K - 8** as planned.
