Vestal School District to Implement First Phase of New Telephone System

The Vestal School District will be implementing a new telephone system over the next few months, and phase one, which includes the administrative offices, Clayton Avenue Elementary School, Vestal High School and the transportation building, is scheduled to be switched over to the new system on Friday, September 25, beginning at 4 p.m. The district has been told that this may result in the disruption of telephone service to those buildings for approximately one hour.

Anyone who has a need to call or contact Vestal administration, Clayton Avenue Elementary, Vestal High School or transportation can call one of the other district schools (listed below) to have a message sent to the appropriate area in those buildings.

African Road Elementary: 757-2311
Glenwood Elementary: 757-2391
Tioga Hills Elementary: 757-2366
Vestal Hills Elementary: 757-2357
Vestal Middle School: 757-2333

In case of an extreme emergency only, the cell phone numbers listed below can be used:

Clayton Avenue: 725-2008
Vestal High School: 765-7695
Transportation: 760-9080
Vestal Administration: 760-6294

We thank you in advance for your patience as we work to improve the district's telephone system. Once we pilot the new system in phase one, we plan to implement it at the other four buildings in the district.
