Vestal School District's Red Ribbon Day is October 23

Vestal High School SADD members will be visiting every Vestal school to hand out red ribbons to all students and staff in the district in honor of Red Ribbon Day, Friday, October 23.

In addition to the red ribbons, the SADD students will be sharing a message about making good choices with younger students.

Anyone wearing their red ribbon to the Golden Bears' varsity football game against Union-Endicott at 7 p.m. will get in free. This is a home game taking place in Dick Hoover Stadium.

The Vestal Central School District has been celebrating Red Ribbon Day for over 20 years.
