

Dear Parent/Guardian:

The Vestal Central School District is pleased to celebrate the accomplishments of our children. As a result, student artwork, writing, photographs, videotapes and quotes may be used in the Vestal Central School District's print and electronic publications or by the media.

If you will allow this use both by the Vestal Central School District and the media, please check the box below on the left under "General Release."

If you do not want your child's artwork, writing, photograph, video, quote or name to be published, please check the appropriate box below on the right under "Opt Out."

Then complete the bottom of this form, sign it, and return it to your child's school. We will keep this form on file throughout your child's school years. If at any time you change your mind regarding your decision, you can contact your child's school principal in order to fill out a new form.
