You cannot include in medical expense an item ordinarily used for personal, living, or family purposes unless it is used primarily to cure or alleviate a physical or mental defect or illness. Where an item purchased in a special form primarily to alleviate a physical defect is one that in normal form is ordinarily used for personal, living, or family purposes, the excess of the cost of the special form over the cost of the normal form is a medical expense.

Some of the above expenses may require additional documentation from your physician such as letters of medical necessity. If in doubt, please feel free to contact SIEBA, LTD.

Expenses categorized as **COSMETIC PROCEDURES** are **NOT** reimbursable. For example; The use of **RETIN A** for wrinkles, teeth whitening and bleaching, orthodontia for solely cosmetic purposes are **NOT** reimbursable. Spider Vein and Varicose Vein Treatment **COULD** also be considered Cosmetic in nature. Check with your health benefit carrier prior to making your election. If your health carrier considers the procedure as cosmetic in nature, your flex plan would as well.

QUALIFYING DEPENDENT CARE EXPENSES

In brief, expenses must be paid to a dependent care center or care provider. (Overnight camp is ineligible) The provider must declare their income and provide the participant with a tax identification number or social security number (W-10). Form 2441 or Schedule 2 must be completed with your income tax return. Eligible expenses are those expenses paid for the care of a dependent under age 13 or expenses paid for care of other dependents who are physically or mentally incapable of caring for themselves. Expenses must be incurred to enable the employee and if married, his/her spouse, to be gainfully employed. The maximum amount allowable under IRS Guidelines to set aside on a pre-tax basis for eligible dependent care expenses is \$5000 if you are married, filing a joint tax return, or a single head of household, or \$2500 if you are married filing separate tax returns. **If your spouse is also eligible to participate in a dependent care account, the maximum amount allowable to set aside per household is \$5000.** Daycare expenses incurred while a parent is out on medical leave such as maternity leave or other leave of absence (paid or unpaid) are not eligible for reimbursement.

Please refer to IRS Publication 503 for specifics relating to eligible dependent care expenses which can be found at www.sieba.com.
