Dear Vestal Taxpayer,

At the end of this school year, the Vestal Central School District was notified that certain "Basic STAR" taxpayers, including yourself, overpaid on Vestal school taxes for the 2021-2022 school tax year. This was a result of an error in the electronic file used by the agency that creates the school tax bills for the District. Apparently, the electronic file used an incorrect (lower) STAR exemption than what it should have been.

Once the District became aware of the issue, we began investigating to determine where the breakdown occurred in an effort to correct it. Our intent is to prevent the same situation from occurring in the future.

Enclosed you will find a check, payable to you, returning a portion of your last year's school taxes. We apologize for any confusion this may have caused, but do hope that the return check is useful to you.

Sincerely,

A handwritten signature in blue ink that reads "Jeffrey J. Ahearn". The signature is fluid and cursive.
