Hall of Fame Honorees

Dr. Mark Hatala
Class of 1980

A Board-certified Orthodontist, Dr. Hatala founded Hatala Orthodontics in Johnson City and has been providing orthodontic care to the area for over 26 years. He is recognized in his field and serves as an Associate Clinical & Research Instructor at Eastman Dental Center and a Clinical Instructor at the SUNY Broome School of Hygiene.

In addition to his stellar professional pedigree, Dr. Mark (as his patients call him) is the embodiment of a contributing citizen to his community. He is a generous benefactor to an astounding number of local charities, as well as an active volunteer for many more. In particular, Dr. Mark is dedicated to being a role model for students. Every year he hosts students from area high schools for Groundhog Job Shadow Day, educating them on the real-world careers available in an orthodontics practice. Dr. Mark also welcomes students from the BOCES New Visions Health Career Academy and dental hygiene students from Binghamton University and SUNY Broome.

Dr. Hatala will accept this recognition via video.

Brian Lynn
Class of 1993

An award-winning interaction and product designer, Brian Lynn has demonstrated adaptive excellence in a number of areas for over 20 years. He has designed interactive environments and interfaces for consumer, educational, industrial and medical products, as well as for software, websites and mobile applications.

Brian's virtuosity in so many areas has been recognized with a number of awards and patents. Just to name a few, he has received three OBIE awards and multiple Horizon Interactive Awards in 2004, 2005, 2006 and 2009. Brian volunteers for and serves on community boards and also coaches youth lacrosse and soccer, all while continuing to design and create multiple projects to help us in our daily lives!

Dr. Hatala and Mr. Lynn were originally scheduled for induction in May 2020.

Please list people attending dinner and check choice of entrée and dessert.
