## **SUBJECT: MEAL CHARGING AND PROHIBITION AGAINST MEAL SHAMING**

The goal of the Vestal CSD is to provide student access to nutritious no- or low-cost meals each school day and to ensure that a student whose parent/guardian has unpaid school meal fees is not shamed or treated differently than a student whose parent/guardian does not have unpaid meal fees.

Unpaid charges place a large financial burden on our school. The purpose of this policy is to insure compliance with federal requirements for the USDA Child Nutrition Program and to provide oversight and accountability for the collection of outstanding student meal balances to ensure the student is not stigmatized, distressed or embarrassed.

The intent of this policy is to establish procedures to address unpaid meal charges throughout the Vestal CSD in a way that does not stigmatize, distress, or embarrass students. The provisions of this policy pertain to regular and reduced priced school breakfast and lunch meals only. The Vestal CSD provides this policy as a courtesy to those students in the event that they forget or lose their money. Charging of items outside of the reimbursable meals (a la carte items, adult meals, etc.) is expressly prohibited.

**Free Meal Benefit** - Free eligible students will be allowed to receive a free breakfast and lunch meal of their choice each day. A la carte items or other similar items must be paid/prepaid.

**Reduced Meal Benefit** - Reduced eligible students will be allowed to receive a breakfast of their choice for .25 cents and a lunch of their choice for .25 cents each day. Once a student's account has a zero balance, the student may charge up to five (5) additional meals before his/her guardian is notified. The charged meals offered to students will be the same reimbursable meals that are available to all students, unless the student's parent or guardian has specifically provided written permission to the school to withhold a meal. A la carte items or other similar items must be paid/prepaid.

**Full Pay Students** - Students will pay for meals at the district's published paid meal rate each day. Once a student's account has a zero balance, the student may charge up to five (5) additional meals before his/her guardian is notified. The charged meals offered to students will be the same reimbursable meals that are available to all students, unless the student's parent or guardian has specifically provided written permission to the school to withhold a meal. A la carte items or other similar items must be paid/prepaid.

### ONGOING ELIGIBILITY CERTIFICATION:

- ☐ The district will conduct a daily direct certification search with New York State Student Identification System (NYSSIS) for all new students. Four times a year, the district will conduct a direct certification by utilizing a district drop through NYSED to maximize free eligibility.
- ☐ The district will provide parents/guardians with free/reduced price application and instructions at the beginning of each school year in school enrollment packet. The information can also be found on the districts website: <http://www.vestal.stier.org>, Food Service.
- ☐ Schools will endeavor to provide at least two additional free/reduced price applications throughout the school year to families identified as owing meal charges.
- ☐ Schools will use administrative prerogative to grant eligibility for free or reduced priced meals judiciously, only after making extensive efforts to obtain a completed application from the parent/guardian only with available information on family size and income that falls within approvable guidelines.
- ☐ Schools will coordinate with the districts homeless coordinators at least monthly to certify eligible students.

Students/Parents/Guardians may pay for meals in advance via [myschoolbucks.com](http://myschoolbucks.com) or with a check payable to Vestal Food Service Dept. Funds should be maintained in accounts to minimize the possibility that a child may be without meal money on any given day. Any remaining funds for a particular student may/will be carried over to the next school year.

Refunds for withdrawn and graduating students; a written or e-mailed request for a refund of any money remaining in their account must be submitted. Students who are graduating at the end of the year will be given the option to transfer to a sibling's account with a written request.

Any balance in a student's meal account must be requested within one school year of the date that the student graduates or withdraws from the District.
