PUBLIC EMPLOYEES FAIR EMPLOYMENT LAW Article 14 of the Civil Service Law

S 204-a. Agreements between public employers and employee organizations.

1. Any written agreement between a public employer and an employee organization determining the terms and conditions of employment of public employees shall contain the following notice in type not smaller than the largest type used elsewhere in such agreement.

"IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFORE, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL."

ARTICLE 1 - RECOGNITION

The Board of Education of the Vestal Central School District hereby recognizes the Association of Vestal School Paraprofessionals as the exclusive bargaining agent for all employees of the School District serving in the Broome County Department of Civil Service Title of Teacher Aide and appointed by the Vestal Central School District Board of Education to the position of Teacher Aide or Teacher Aide (Monitor).

ARTICLE 2 - APPOINTMENT

Appointments to positions on the Paraprofessional Staff are made by recommendation of the Superintendent of Schools and official action of the Board of Education. Appointees shall be notified of such action in writing.

- A. Notice of a vacancy for a position shall be posted in each building, at least one (1) week prior to the date it is to be filled.

Employees interested in posted vacancies or potential vacancies shall submit (a) letter(s) of interest to the Personnel Office specifying interest. Employees are welcome to inquire about the status of posted vacancies by contacting the Personnel Office.

- B. The District will give two (2) weeks' notification upon abolishment of a position within the Paraprofessional unit.
- C. Members of the Paraprofessional unit will give the District two (2) weeks' notice prior to termination of employment.

ARTICLE 3 - CONDITIONS OF EMPLOYMENT

Work period for full-time Paraprofessional personnel should not exceed thirty-five (35) hours per week for a two hundred (200) day year, exclusive of lunch periods.

- A. Part-time employees shall work on an hourly basis as required by the school calendar and Administrative directive.
- B. It is recognized that circumstances make it desirable to employ personnel on a regular basis for a work period of less duration than that normally established. When such employment takes place, the benefits provided for by this Agreement will be applied by the Administration on the basis of the terms in Article 3. G.
- C. **Full-time Paraprofessionals will have a workday of seven (7) hours (see example below).** Any time beyond the seven (7) hours must be either paid time or compensatory time. The workday for a full-time seven (7) hour employee will also have a thirty (30) minute duty free unpaid lunch plus two (2) fifteen (15) minute breaks. The two (2) breaks are a part of the seven (7) hours. The supervisor and the employee can mutually agree to schedule and/or combine one (1) or both of the breaks with the lunch hour.

Paraprofessionals scheduled for three and one-half (3.5) hours or more, but less than full-time, shall have one (1) paid fifteen (15) minute break. The break is part of the three and one-half (3.5) hour schedule.

Example:	Start Time	8:00 a.m.
	Lunch	11:30 a.m. to 12:00 noon
	End Time	3:30 p.m.

- D. Employees who work beyond their normally assigned workday will be reimbursed at their current hourly rate or provided with compensatory time. Hours above thirty-five (35), but less than forty (40) per week, will be paid at straight time. Hours worked over forty (40) per week will be paid, or compensatory time will be earned, at the rate of one and one-half (1.5). Employees who work during the summer will be reimbursed at the rate agreed to in Article 14 or provided with compensatory time.
- E. Compensatory Time

Compensatory time (overtime) will first require prior approval from the Superintendent, or the Superintendent designee.

The employee and supervisor will account for all compensatory time earned, the rate, and when it was taken. Requests by the employee to use accrued compensatory time must go to the immediate supervisor for approval. When compensatory time is approved, the supervisor will document the date and times worked and the amount of compensatory time accrued. This document will be forwarded to the District's personnel office, on a payroll basis, which shall maintain all official compensatory time records.

Use of the accrued compensatory time must be permitted within a "reasonable period" after the request has been made. Employees will not be allowed to carry compensatory time beyond

June 15 of any year unless specific arrangements are agreed to by the supervisor and the employee for the use of the time by June 30. If accrued compensatory time remains at that time, the District will pay the employee at the rate the time was earned (straight or overtime). Employees who resign or retire and have accrued compensatory time will be paid at the rate the time was earned. The use of compensatory time must be documented and reported to the District personnel office.

F. Flexible Time

Flexible or flex time is defined as an adjustment in an employee's daily or weekly work schedule. This can be done by starting and ending the day either earlier or later and/or by starting and ending the workweek earlier or later.

An employee wishing to have such a change must seek approval of his/her supervisor. Any such arrangement must be mutually agreed to between the supervisor and employee.

G. For full-time and part-time Paraprofessionals, there is a graduated system of paid leave, Conference Day and holiday benefits per year based upon the number of regularly assigned hours of work per week. The schedule is:

	15-18.9 Hours Per Week	19-24.9 Hours Per Week	25-34.9 Hours Per Week	35 (Full-Time) Hours Per Week
Personal Illness	4	6	10	10
Family Illness	1	2	4	5
Personal Business	1	1	2	2
Legal	1	1	2	2
Holiday	1	3	6	6
Superintendent Conference Days*	2 or 3	2 or 3	2 or 3	2 or 3

* Number established by calendar adopted by Board of Education.

For the 2017-2021 contract, the holidays stipulated above will be:

15-18.9 Hours Per Week -
Christmas

19-24.9 Hours Per Week -
Thanksgiving, Christmas, New Year's

25-34.9 Hours Per Week -
Thanksgiving, day after Thanksgiving, Christmas, New Year's, President's Day,
Memorial Day

When a Paraprofessional's assigned weekly work schedule is changed to one with a different number of paid leave, Conference Day, and holiday benefits, such benefits shall be prorated to reflect the change.

Part-time Paraprofessionals who are assigned fifteen (15) hours through thirty-four and nine-tenths (34.9) hours of work per week will be paid on an annual contract basis. For

the purpose of computing an annual contract salary, the full work year for a part-time Paraprofessional is one hundred eighty-seven (187) workdays where a day is defined as the number of assigned hours of work per week divided by five (5). The number of paid days in the annual contract salary will be determined as follows:

For Paraprofessionals assigned 15-18.9 hours per week:

One hundred eighty-eight (188) paid days
(187 workdays includes Superintendent's Conference Days, plus 1 holiday)

For Paraprofessionals assigned 19-24.9 hours per week:

One hundred ninety (190) paid days
(187 workdays includes Superintendent's Conference Days, plus 3 holidays)

For Paraprofessionals assigned 25-34.9 hours per week:

One hundred ninety-three (193) paid days
(187 workdays includes Superintendent's Conference Days, plus 6 holidays)

A day is defined as the number of assigned hours per week divided by five (5).

Conditions for the use of paid leave for part-time Paraprofessionals are contained in Article 6 - Sick Leave, Article 8 - Family Illness Leave, Article 11 - Personal Day/Religious Observance, and Article 13 - Bereavement.

The number of hours of required attendance at the Superintendent's Conference Days shall be equal to the number of assigned hours of work per week divided by five (5). Additional hours of required attendance will be paid at the employees' current hourly rate.

Paraprofessionals scheduled to work on the Superintendent's Conference Day preceding the first day of student attendance shall receive appropriate preparation time in anticipation of the first day of student attendance. The amount of preparation time, if any, shall be determined by the Administration.

- H. Employees assigned less than fifteen (15) hours of work per week receive no paid leave or holiday benefits with the exception of Article 7 - Sick Leave Bank.
- I. In the event that student attendance is not required on the last day identified in the school calendar, Paraprofessionals shall be authorized to leave work in accordance with the times established for members of the teacher bargaining unit. Such times shall be established by the Administration. This provision shall not prohibit an employee and supervisor from employing the provisions in Article 3. E. and Article 3. F.

ARTICLE 4 - HOLIDAYS

Holidays shall be determined by the school calendar for teachers adopted by the Board of Education. Full-time Paraprofessional employees will receive benefit of those days designated "Legal Holidays" and "Other Paid Days" without loss of salary for those days which fall between August 15 and June 30. Holiday pay shall equal the daily rate of pay.

ARTICLE 5 - RESPONSIBILITIES

Work schedules for all Paraprofessionals shall be established by the Building Principal.

Employees may appeal their job title determinations. Such appeals shall be made to the President or designee, and the Superintendent or designee. If an appeal results in a change in title, the employee shall receive the appropriate salary adjustment and move to the appropriate seniority area.

The Administrator is responsible for determining whether coverage is necessary when Paraprofessionals are absent.

Paraprofessionals shall not be required to work on any day that the Vestal Schools are closed to students and teachers due to the inclement weather or other conditions.

ARTICLE 6 - SICK LEAVE

Sick leave of ten (10) working days, without loss of pay, shall be granted to full-time Paraprofessionals.

Sick leave shall be cumulative to one hundred fifty-five (155) days. The length of each sick leave day shall equal the length of the working day.

Sick leave is intended for use by the employee in the event of personal illness or temporary disability as determined by a physician. Satisfactory proof of illness will be presented to the Administration on request.

Each Paraprofessional employee will receive notice of his/her accumulated sick leave at the beginning of each school year.

Bargaining unit members may convert unused sick days into service credit for pension purposes in accordance with Employees' Retirement System option 41(J).

ARTICLE 7 – SICK LEAVE BANK

A Sick Leave Bank will be established by the parties as follows:

A. Joining the Bank

All employees in the unit are members of the Sick Leave Bank, unless a “Sick Leave Bank Refusal” form is submitted to personnel prior to receipt of the first paycheck. Members of the Bank must initially donate one (1) sick day. The District will donate one (1) day per year for each employee in the bargaining unit. Thereafter, the employee will donate one (1) day per year. An employee who chooses not to join at the first opportunity will be allowed to join any September and will be required to donate a number of sick days equal to that which would have been placed in the Bank had the employee joined at his/her first opportunity to join. Additionally, this employee, who chose not to join at the first opportunity, will not be eligible to access the Bank for one (1) year after joining. The parties, by mutual agreement, may agree to freeze donations.

B. Eligibility to Use the Bank

1. The employee must have worked in the District for a period of one (1) year to be eligible to use the Bank.
2. The employee must exhaust all personal sick leave days.
3. The employee must be out of work for a period of at least ten (10) continuous days, paid or unpaid. In cases where there is a chronic illness or where ongoing treatment causes continuing absence after the person returns to work, the ten (10) consecutive day rule can be waived.
4. The employee will be paid retroactive to the first day of unpaid absence.
5. The employee must present the District with a note from his/her doctor as to the reason for the absence and the anticipated return date.
6. The District may, at its expense, ask the employee to see a District-appointed doctor.
7. The maximum number of days that can be used is sixty (60) days.
8. The Bank may not be used for elective surgery which could be performed at a time when school is not in session.
9. Under extenuating circumstances, additional sick bank days may be considered by the Superintendent for approval. The final decision will be at the Superintendent’s discretion and shall not be subject to appeal.

C. Applications to the Bank

All applications to withdraw days from the Bank should be on the appropriate Sick Leave Bank Request Form which can be obtained from the Personnel Office. All applications will be reviewed by the Superintendent and the President of the Association, or their designees, and they will process the approved applications to payroll.

D. Repayment of Days Borrowed

Unit members who borrow days from the Bank will be required to repay them to the Bank. At the beginning of each school year, they will be required to repay the equivalent of one-half (1/2) of the remaining days from the newly credited days for that year. Such payments will continue until the debt is repaid or the unit member leaves the District, at which time the debt would be forgiven.

For family illness leave, the immediate family includes the spouse, child, parent, parent-in-law, grandparent, grandchild, brother or sister, or any individual who lives in the employee's household.

Satisfactory proof of family illness will be presented to the Administration on request for the first five (5) days of family illness leave used in any school year. However, use of a sixth (6th), seventh (7th), or eighth (8th) day shall be requested in advance from the Building Principal and proof of need shall be supplied within one (1) working day after the sixth (6th), seventh (7th), or eighth (8th) leave day.

Should any member of the bargaining unit use all of the available family illness days and have additional family illness, he/she shall be granted up to an additional five (5) days per annum chargeable to his/her accumulated sick leave subject to providing satisfactory proof of necessity to the Superintendent for approval.

Should any member of the bargaining unit use all of the available family illness days of the preceding paragraphs and have additional family illness, he/she may apply for additional days from the Superintendent. The Superintendent may grant more family illness days which would be chargeable to the employee's accumulated sick leave. The Superintendent may ask for medical verification of the family illness. This paragraph is not subject to the grievance procedure established pursuant to this contract.

ARTICLE 9 – ABSENCE FOR LEGAL COMMITMENTS AND TRANSACTIONS

A non-cumulative leave allowance of two (2) days per year, not deducted from sick leave, shall be available to unit members for legal commitments and transactions.

The term "legal commitments and transactions" refers to a matter which cannot be performed at any other time and which pertains to financial, business or educational institutional matters of the employee involved.

Supervisory approval is necessary for all such leaves and shall be requested at least twenty-four (24) hours in advance (see Form AVSP Article 9). Submission of supporting documentation may be required by the District upon request.

Leave granted for these purposes or contained herein may not be extended by any other provision of the contract whether that leave be paid or not.

The parties understand and agree that leave under this section of the agreement shall not be used by unit members to participate in activities which would result in additional remuneration or economic gain for the employee. Examples of prohibited activities include conferences, conventions, and seminars during which the employee receives direct compensation, honorariums, or any other form of economic gain.

ARTICLE 10 - UNPAID LEAVE OF ABSENCE

The Superintendent of Schools may recommend to the Board of Education that a leave of absence without compensation not to exceed one (1) year be granted a full-time employee upon receipt of written notification from the employee to the Superintendent, provided such leave does not injure the program of the District. Additionally, this leave may be taken for educational purposes so long as the program of studies is related to the employee's present position or another position within the District. The employee requesting the leave shall have worked for the District for three (3) years in a full-time capacity.

The length of service requirement may be waived if leaves are granted for reasons of health, personal hardship, or child rearing. Salary increments, retirement credit, and similar cumulative benefits will not be earned by an employee on leave of absence.

An unpaid short term leave, not intended to exceed five (5) days per year, may be granted by the Superintendent upon written request. In unique circumstances, unpaid short term leave may be extended beyond the five (5) days to ten (10) days. Such extensions will be requested in writing and approved or denied by the Assistant Superintendent for Finance, Operation and Personnel, whose decision shall not be subject to appeal.

Leave granted under this Article shall not include, among other things, leaves for recreational activities, vacation time, or any other activity or item that could be accomplished during non-working time.

Such leave shall be requested in writing at least twenty-four (24) hours in advance and approval of the Building Principal is necessary. In an emergency situation, the twenty-four (24) hour advance notice may be waived, but approval of the Building Principal is still necessary. The reason for the emergency request shall then be submitted to the Building Principal in writing by the Paraprofessional within two (2) working days after taking such leave. The final decision on approval or denial will come from central administration by the Superintendent, or Superintendent's designee, whose decision shall not be subject to appeal.

Leave granted under this Article shall not include, among other things, leaves for recreational activities, vacation time, or any other activity or item that could be accomplished during non-working time.

The parties understand and agree that leave under this Section of the agreement shall not be used by unit members to participate in activities which would result in additional remuneration or economic gain for the employee. Examples of prohibited activities include conferences, conventions, and seminars during which the employee receives direct compensation, honorariums, or any other form of economic gain.

If the personal days are not used, they will be added to the accumulated sick leave, provided the maximum number of days allowed for accumulation has not been reached.

ARTICLE 12 - JURY DUTY

School employees are urged to fulfill their civic obligation in cases of jury duty. The difference between any compensation received and the regular pay of the employee within the District shall be made up by the District. No maximum limit is set in cases of jury duty.

In accordance with Article 3. G., absences without penalty will be available to Paraprofessional employees in cases of death in the immediate family in the amount of up to four (4) days per event.

For bereavement and funeral leave, the immediate family includes the spouse, child, parent, parent-in-law, step-parent, step-children, grandparent, grandchild, brother or sister, brother or sister-in-law, or any individual who lives in the employee's household. Satisfactory proof of bereavement will be submitted to the Administration on request.
