Individual school digital device computers and accessories must be returned to the District at the end of each academic school year. Students who graduate early, withdraw, are suspended, or terminate enrollment at Vestal Central School District for any other reason must return their individual school digital device computer on the date of termination.

USER AGREEMENT

In this agreement, “we,” “us,” and “our” means the District. “You” and “your” means the parent/guardian and student enrolled in the Vestal Central School District, hereafter referred to as “VCSD.”

Terms: You will read, understand and sign this Parent/Student Digital Device Use Agreement before taking possession of the Property.

You will comply at all times with VCSD’s Responsible Use Policy, incorporated herein by reference and made a part hereof for all purposes. Any failure to comply may terminate your rights of possession of property effective immediately and the District may repossess the property. Failure to comply may also subject the student to discipline in accordance with the School District’s Code of Conduct.

Title: Legal title to the property is in the District and shall at all times remain in the District. Your right of possession and use is limited to and conditioned upon your full and complete compliance with this Agreement.

Software: Any software and or applications will be installed as needed by the VCSD. You are not permitted to install or load any additional applications or software. Failure to comply may terminate your rights of possession effective immediately and the District may repossess the property. Failure to comply may also subject the student to discipline in accordance with the School District’s Code of Conduct.

You may, however, set up wireless networks on your device for use when not on school grounds.

Damaged, Lost, or Stolen Devices. Students should immediately report any damage to the device or if it is lost or stolen to their designated building staff member. Students shall be financially responsible for negligence that results in damage to their device and/or accessories. If negligence is determined to be the factor in damage, students shall be responsible for a replacement fee for the device, respective to the value of the device.

Search: At all times, the device and any software installed on the device remains property of VCSD. As such, neither students nor parents have any expectation of privacy in the data stored on the device. District representatives retain the right to search digital media associated with the device. This media will include specifics such as the local hard drive, USB storage Devices, and portable memory cards.

Repossession: If you do not fully comply in a timely manner with all terms of this Agreement, including the timely return of the property, the District shall be entitled to declare you in default and ask for the return of the device. If the student transfers to another school district, you will have 72 hours to return the digital device to the School’s Main Office.

Term of Agreement: Your right to use and possession of the property terminates not later than the last day of the school year unless earlier terminated by the District or upon withdrawal from the District.

Appropriation: Your failure to return the property in a timely manner and the continued use of it for non-school purposes without the District’s consent may be considered unlawful appropriation of the District’s property and may subject you to criminal prosecution or a civil action for recovery of the property and monetary damages or both.
