Office of the Assistant Principal  
January Regents Testing Information**

**New York State Regents exams** will be given Tuesday, January 24, through Friday, January 27, 2023. Specific students have been identified to take these exams, including students who previously failed Regents exams and need the exam to meet graduation requirements. **There are no classes scheduled at Vestal High School for students Thursday, January 26, 2023 or Friday, January 27, 2023.**

Normal bus transportation routes will remain the same on Tuesday and Wednesday. On Thursday, there will be buses available to transport students home at 11:30 a.m. for morning exams, 3:00 p.m. and 4:15 p.m. for afternoon exams. On Friday, there will be buses available to transport students home at 11:30 a.m. for morning exam.

All BOCES sites and programs will distribute information to students regarding testing. BOCES programs will be closed on Tuesday, January 24, for testing. On Wednesday, January 25, and Thursday, January 26, afternoon half-day CTE BOCES students will be picked up at the regular morning bus stop and will remain at Vestal High School until the mid-day buses depart for afternoon BOCES programs. Morning half-day CTE BOCES students will arrive at Vestal High School following their BOCES program and will take the 11:30 a.m. bus home.

Please review the chart on the reverse side for the date, time and location of the exam(s). If your child has testing accommodations, he/she may be testing in a separate location. Your child will receive this information from their resource room teacher.

**Security Guidelines**

The New York State Education department has issued guidelines for school security for the administration of Regents examinations. Based on these guidelines, the following procedures will take place during the examination period.

1. Only those students required to take an assessment will be allowed in the testing areas.
2. Students may bring only lunch/snacks, medical supplies (such as inhalers), and specific materials appropriate to the exam (such as pens, pencils and calculators) to the testing area. Book bags and other personal belongings, cell phones and all electronic devices (SMART Watches, iPods, tablets, etc.) will not be permitted at the student seats during exams.

**NOTE: Cell phones and all electronic devices will be collected from students by VHS staff members before exams begin, and devices will be secured until the exam is complete. Students can pick up cell phones after each exam from the Assistant Principals' Office. Please note, however, that the school is not responsible for the security of these prohibited items. Per New York State regulations, if a student is found in possession of a prohibited electronic device in the testing areas, the student's test must be invalidated.**

Your cooperation and support for the above procedures are appreciated. If you have any questions or concerns, please call Mrs. Bittler in the Assistant Principals' Office at 607-757-2279.
