March 15, 2020

Dear Vestal CSD Families,

Today, we continue to work with Broome County on developing support for students in the coming weeks. All schools in Broome County are closed beginning Monday, March 16th and continuing through Tuesday, April 14th.

A regional school meal program has been organized and will begin providing student meals on Monday, March 16th. All students age 18 and under are eligible for a free "Grab-n-Go" breakfast/lunch meal daily, Monday through Friday, from 10AM to 1PM at many locations throughout the county. Please visit our website for specific locations. Within the District, you may **pick up** a meal at African Road or Clayton Avenue Elementary Schools.

We recognize that your student may have personal items and/or medications at school which you need access to. Please contact your school office to schedule a time to retrieve those items this week. They will arrange to have these items available for you in the main office.

We will be communicating plans for educational resources to support home learning in the coming week.

We understand that this may be a challenging time for our students and families. We encourage you to reach out to your school if you need support.
