

## *Nominee Selection*

Nominees are selected for induction into the Hall of Fame based on their local, regional, national or international recognition in one or more areas. These areas may be professional, educational, athletic, cultural or community/charitable.

The committee annually selects a maximum of three inductees from its pool of nominees. The Hall of Fame Committee reviews all nominations and makes its selections in the fall of each year. The decisions of the Hall of Fame Committee, in every case, are final, and the committee does not discuss its decisions. Applications of nominees not chosen for induction will be kept on file for five years and reviewed annually.
