

**PUBLIC COMMENT AT
BOARD OF EDUCATION
MEETINGS**

Visitors are permitted to address the Board of Education during a Board meeting. This is not a dialogue or discussion, but an opportunity for the Board to hear from their stakeholders. There are two options:

1. *PUBLIC COMMENT ON AGENDA ITEMS* is the chance to speak to the Board regarding action items being considered for this meeting.

2. At the end of the meeting is the *VOICE OF THE PUBLIC*. Any topic can be addressed to the Board during this time.

When addressing the Board, please provide your name and address for the record. Please be concise and respectful in your comments.

The Board does reserve the right to correct any misinformation. The Board also has the right to limit comments on a particular subject.

By law, the Board will not permit any public statements regarding private student, specific employee or legal issues. Members of the public who wish to address the Board privately should contact the District Clerk to schedule an appointment.

Thank you.
