First-Time Overview

The first time you use ML Schedules™, you will need to register for a new user account with a Group Name (e.g., for a district club or Girl Scout troop).

You can also create multiple Group Names under one user account. Adding new Groups is described in the Log In procedure.

This Account setup step is only necessary the first time you use the platform. After that, you will be able to log into your district's ML Schedules' account using your email address and password to submit requests for a desired space(s).

Many districts require external (community) Group Managers to upload the Group's insurance certificate (in PDF or JPG format) and enter the insurance expiration date the first time you log into the system as described later in this Guide.

1. Register a new account

The image shows a login screen for MasterLibrary CSD. At the top is a circular logo featuring a tiger's head. Below the logo is the text "MasterLibrary CSD". The main content is a white rounded rectangle with a "Log In" heading. It contains two input fields: "Username" and "Password" (with an asterisk indicating it is required). Below the password field are links for "Create New Account (video)" and "Forgot Password". A dark grey "Log In" button is at the bottom of the form. At the bottom of the page, there is a logo for "ML Schedules K-12 Facility Request Software", a copyright notice "© 2019 MasterLibrary.Com LLC | Terms & Conditions", and a "Select Language" dropdown menu.

Access ML Schedules from your district's website

1. Access the ML Schedules login screen using your district-specific URL.

Note: The format of the district-specific URL is a two-character State Abbreviation followed by a number-dot-mlschedules.com. E.g.: **<http://www.ny9.mlschedules.com>**.

The ML Schedules login screen similar to the one shown at left will be displayed.

2. Select the **Create New Account** command.

A Register screen will be displayed (see next page) to enter information about yourself and your Group(s).

Note: Once your account is set up, you may want to bookmark the URL for your district's log-in page.

Three ways to Request a Facility

There are three ways to submit a Facility Use Request with the ML Schedules:

- A. By selecting a specific time and date.
- B. By selecting a specific space (calendar view).
- C. Viewing multiple spaces at the same time (e.g., gym, locker rooms, and concession area).

Regardless of the way you make your request, the same procedure is used from the **Make A Request** screen (as shown at left). This screen can be accessed in a number of ways as described on the next page.

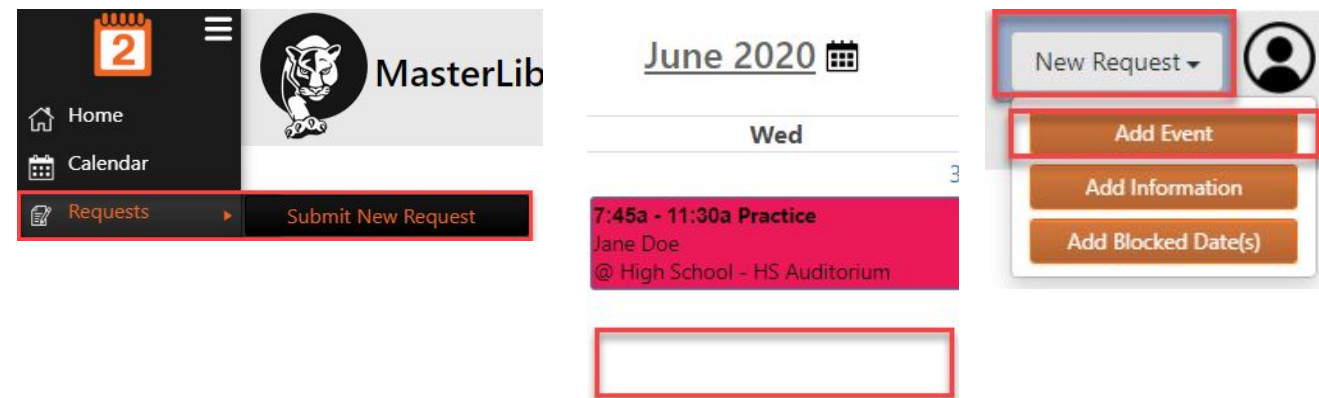

3. Submit Facility Requests (cont.)

Accessing the *Make A Request* screen

There are a number of ways to access the **Make A Request** screen:

1. By selecting **Requests > Submit New Request** from the left-panel toolbox on any screen (*below left*).
2. By double clicking an **open day/time slot** on the calendar panel (*below center*) from the default screen (*shown at left*).
3. By selecting **New Request > Add Event** at the top right of the screen on any screen (*below right*).

3. Submit Facility Requests (cont.)

The screenshot shows the 'Make A Request' interface in the MasterLibrary CSD system. The header includes the MasterLibrary logo, the text 'MasterLibrary CSD', and a 'New Request' button. A sidebar on the left lists navigation options: Home, Calendar, Requests, Availability, Users, Locations, Invoices, Payments, Reports, Admin, Settings, and Switch To. A 'View Availability' button is located at the bottom of the form. The footer contains copyright information for 2019 MasterLibrary.Com LLC, the ML Schedules logo, and a 'Select Language' dropdown.

All request types require three basic steps:
