

# **Robert Warner**

## **Class of 1966**

He graduated from the New York State Gas Association, Carnegie Employer Training Program, is a New York State Certified alternate Fuel Technician, and has taken numerous courses at Broome Community College.

Part owner of Warner's Gas Service in Vestal, Robert Warner has branched into all areas of the community as a member of the Broome County Legislature from 1989 to 1993, a New York State Assemblyman from 1993 to 2004, part owner of Sterling Image Communications, and a partner in Bob & Ken Warner Real Estate. His efforts as an Assemblyman garnered over \$2 million in grants for various Broome County projects.

He has personally served the community in many ways as well. A life member of the Vestal Fire Department and the Rocky Mountain Elk Foundation, he has also served as a board member of the Broome County Family Violence Prevention Council and Western Broome Meals on Wheels.
