

## COVID-19 Daily Screening Guidelines for Staff

We recognize that the changing recommendations from various State and health authorities can be confusing. We want to assure you that we are assimilating these directives as quickly as we can to help our school community navigate this continuing situation.

We continue to amend our daily screening guidelines due to new information from State and local health departments. Please continue to screen yourself daily according to these criteria, and do not report to work if:

1. Your temperature is over 100°F.
2. A member of your household is awaiting COVID-19 test results due to symptomatic conditions. **(Disregard if you are fully vaccinated or have recovered from COVID-19 within the last 90 days).**
3. You have tested positive for COVID-19 within the past five (5) days or are awaiting COVID-19 test results due to symptomatic conditions.
4. You are experiencing any symptoms (new or worsening) that are not related to a chronic health condition and are consistent with symptoms of COVID-19.
5. You are a close contact of a person *outside of school* who has tested positive for COVID-19 within the last 5 days. (Disregard if the student is fully vaccinated or has recovered from COVID within the last 90 days *or is participating in the school-based Test-to-Stay guidance and has tested negative for COVID-19 per the New York State Department of Health guidance*).

Regardless of vaccination status, **please do not come to work if you are showing any COVID-19 symptoms**. If you are showing COVID-19 symptoms, a negative COVID test result is required before you can return to work.

**NOTE: Staff who are fully vaccinated do not have to stay home from school unless they are symptomatic.**

As a reminder, the symptoms of COVID-19 include the following:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- Nausea or vomiting
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Diarrhea
- Cough

***Staff do not need to sign or return the affidavit.***

Thank you for your cooperation... Supporting one another during this time is the key to a successful outcome for you, your families, our students and the community!
