### **Vestal Central School District presents Summer Enrichment Program for Secondary Students**

Vestal Central School District is pleased to present a Summer Enrichment program for its students in grades 6 – 12 at the Vestal High School. Sessions are scheduled for August 2 – 5, 2021.

Media representatives are invited to drop by, with prior notice, this Wednesday, August 4, or Thursday, August 5. Classes are from 9:15 – 11:30 a.m. and include

- Fun Foundations with Friends for Middle School Success (aimed at grade 6),
- Food/Crafts Around the Spanish-Speaking World,
- Journalism – Using Your Words,
- Pin Pals,
- Team-Building Activities (aimed at grade 9), and
- Writing Your Passion

The purpose of the summer enrichment program for secondary students is to help students re-acclimate with school again, especially if they have been fully remote. Sessions are designed to help them reconnect with other students, as well as provide additional support before the new school year opens.
