College Board recognizes two Vestal High School Seniors as Designated Scholars

Vestal High School Principal Dawn F. Young is pleased to announce that two Vestal High School seniors have been designated as College Board Recognition Program Scholars. Antonio Aaron and Olivia Muse received notification of their scholar designation on August 31, 2021.

We congratulate Antonio Aaron for his designation as a College Board National Hispanic Recognition Program Scholar... And we applaud Olivia Muse for her designation as a College Board National African American Recognition Program Scholar.

Both Antonio and Olivia are being recognized for their academic achievement on their PSAT or AP exams and in the classroom. They are among the only 32,000 students from across the country being awarded with academic honors from the College Board National Recognition Program.
