Vestal Elementary Schools Schedule Fire Safety Lessons

October is fire safety month, and Vestal elementary students will be learning some important fire safety lessons from Vestal Fire Department staff. This year's theme is "**Look, Listen and Learn!.. Fire can happen anywhere.**" Here is a brief schedule of where and when the Vestal Fire Department personnel (along with "Sparky, the Fire Dog") will be sharing age-appropriate fire prevention and fire safety information with elementary students:

- **9:15 a.m., October 9 - African Road Elementary**, 600 S. Benita Blvd., Vestal
- **9:10 a.m., October 10 - Vestal Hills Elementary**, 709 Country Club Rd., Vestal
- **9:30 a.m., October 11 - Glenwood Elementary**, 337 Jones Rd., Vestal
- **9:30 a.m., October 15 - Clayton Avenue Elementary at Vestal Fire Station #1**
Weather-permitting, first-grade students and their teachers will take a walking field trip to VFD Station #1 to learn about fire safety and see all of the vehicles and other equipment the fire department uses to keep us safe.

Students at Tioga Hills Elementary School will receive fire safety lessons from the Apalachin Fire Department. Presentations will take place by grade level on October 25 and 26. Start times have yet to be determined, but contact us the week prior if interested in attending one of these fire safety lessons.
