Vestal HS 2021 Graduate to present “Embrace” program to Vestal Hills Elementary Students

Class of 2021 graduate Alexia Michitti will be helping students at her elementary alma mater get their school year off on the right foot with a character education presentation scheduled for 9 a.m. on Friday, September 23, 2022.

In her second year at SUNY Broome, Alexia has also earned her Girl Scout Gold Award. The focus of the program she is developing is to help younger students learn to embrace the process of setting a goal. She hopes to show them how the end target of reaching a goal does not happen overnight, but includes growth as a person, as well as skills such as hard work and determination. Alexia’s second goal is to help the children understand that embracing challenges and accepting obstacles they encounter along the way is part of the process.

The initial seed for her Embrace program was planted when Alexia created videos on character education for Vestal Hills Elementary as part of her Girl Scout Gold project. Now, she has developed the rest of the program, and this presentation at Vestal Hills Elementary on September 23 is the public debut.
