Vestal Middle School to host local sixth-graders for 2018 Broome County Mathalon

Every year, local sixth-graders test their math skills as they compete in the annual Broome County Mathalon. This year's competition will begin at 8:30 a.m. on Saturday, December 1, at the Vestal Middle School, 600 South Benita Boulevard.

Over 90 students on 15 teams will compete against one another in this event sponsored by BAE Systems. Vestal Middle School has two teams, and will welcome teams from All Saints, Chenango Valley, Johnson City, St. John's, Susquehanna Valley, Binghamton's West Middle and Windsor on Saturday, December 1.

- 30 -

Location: This event will take place in the Vestal Middle School cafeteria.

District On-site Contacts for this event are Joan Dinnel and Sue Place, the VMS Mathalon Coaches.

Additional information on the Mathalon is available from Roberta Bergin, with BAE Systems. Her email address is roberta.bergin@baesystems.com
