Vestal High School Junior IB Diploma candidates to volunteer at CHOW

Juniors in Vestal High School's International Baccalaureate classes are volunteering at the Community Hunger Outreach Warehouse (CHOW) from 9:45 – 11:15 a.m. on Thursday, November 17, 2022.

One of the essential components of the International Baccalaureate Diploma is Creativity, Activity, Service (CAS). This requirement reflects the tenet that students voluntarily participate in service to the community in which they live. It has become a Vestal HS tradition for our students to volunteer at CHOW during this critical time of the year. They will be sorting and packaging non-perishable food donations for distribution to the community during the holidays.

Alongside their academic studies, IB encourages our students to be well-rounded and to pursue interests that are both enjoyable and meaningful. Typically, they engage in CAS projects their senior year, but by offering this field trip now it serves as an initial opportunity for our IB candidates to come together early in their junior year as they begin their pursuit of this challenging diploma.
