African Road Elementary sets the table for annual Taste of ARE event

African Road Elementary School students and their families have their passports for the school's annual "Taste of ARE" cultural celebration beginning at 6 p.m. on Tuesday, November 14, 2023.

The African Road Elementary community comes together to celebrate its rich diversity with "Taste of ARE." Our students and their families will again represent different countries for this event that celebrates our global culture and traditions through the sharing of cuisines from around the world. Gathering in the Vestal Middle School cafeteria, students and their families will represent a country of their choice and bring a traditional dish to share. They may also be dressed in traditional garb and display cultural artifacts or posters with facts about the country for which they are acting as ambassadors.

The "Taste of ARE" event is open to all African Road Elementary students and their families to participate in or attend.

- 30 -

Note to Media: The school's street address is 600 South Benita Boulevard. This event is not open to the public, but media representatives are welcome to come by.
