Post-It Notes

You may be asked to purchase a few additional items for specific teachers. You will have until the end of September to make these purchases.

**SUGGESTIONS:**

It often helps if students color-coordinate their binders, folders and book covers (by subject). It makes it easier to find the items in their lockers. (for example: a blue book cover on the science book, a blue binder for science and a blue pocket folder for science; etc.)

Sturdy (plastic) Two-Pocket folders are recommended as students will use them daily for the entire year.

**Students are not permitted to have portable locker shelves due to problems with locker jams.**
