NOTES:

You may be asked to purchase a few additional items for specific teachers.

You will have until the end of September to make these purchases.

It often helps if students color-coordinate their binders, folders and book covers (by subject). It makes it easier to find the items in their lockers.

Sturdy (plastic) folders with three-hole prongs are recommended, as students will use them daily.

Lockers include shelving, so students do not need to bring in their own.
